

# MARCH

It's National Quilting Month and we're ready to March to the beat of our own stitching! When you make and give a quilt, you're wrapping that person in your warmth and love. How special is that? Whether you quilt with friends sitting next to you or friends cheering you on through the video screen, we're excited to sew along with you! We've got special celebrations planned all month long so keep checking in at [missouriquiltco.com](http://missouriquiltco.com).

We also want to celebrate the everyday awesomeness of quilting together. We're so proud and happy to be a part of your quilting - so let's take a moment to pause before we take off stitching again to say thanks for sharing your warmth and love with the world. From all 400+ of us at Missouri Star, thanks for being a quilter and Happy Quilting!

**DO YOU KNOW WHAT  
MATTERS MOST TO THE

*\*Sew Along with Jenny on the 4th Monday of each month in 2020 (Hint: This month's sew along is March 23) - it's sewing with a friend in a whole new way and we're sew excited!*

## This month, **take 5!**

**5**  
MINUTES

**Think about your quilting buddies.** Reach out, connect, and celebrate with them. Send a message letting them know what quilting with them means to you. Wrap them in your love and let them wrap you in love.

**5**  
HOURS

**Enjoy your own personal history of quilting.** How did you get started? Who have you learned from? Who have you taught? Share your stories and read a few others in our new BLOCK idea book - redesigned in 2020 to add even more inspiration. We'd love to include more stories from quilters like you - share with us [#msqshowandtell](#)

**5**  
DAYS

**Pick a pattern you've wanted to try but haven't yet.** Find fabric that's calling out to be made into a quilt, and be brave enough to cut into it and get started. Use your love and warmth to transform that fabric into that quilt. Jenny has shared hundreds of tutorials if you're looking for inspiration! Remember you can make all of our quilt patterns in thousands of fabrics.

We have lots of tutorials, classes, ideas, and more to support your quilting dreams!
