

MAY

May is when school is letting out, and we thank our teachers for a year of learning. We celebrate Mother's Day and get ready for Father's Day. We're on the lookout for meaningful quilted projects to give our graduates. Weddings and baby showers and birthday parties will be coming up, and we're working on special gifts from the heart for people we love.

**"WHEN WE GIVE
CHEERFULLY AND ACCEPT
GRATEFULLY. EVERYONE
IS BLESSED."**

-Maya Angelou

This year is... different. But it's also... not. We still thank teachers. We still honor moms and dads. We're still celebrating our seniors. We're finding new ways to wrap our love around people as they hit milestones. Quilters are givers - we've always known that, but oh, my, how we've seen that this year. This month, let's celebrate giving to the people we love and pausing to love ourselves, too. We love sharing our love of quilting with you.

MAY 14 Dance Like a Chicken Day
Dance Like a Chicken Day - This one is for everybody who likes to do the "Chicken Dance." Chuck the Chicken Duck is all in. All ya gotta do is dance like a chicken. While any dance song will do, we're partial to Jenny's tutorial theme music...

MAY 25 Memorial Day

MAY 28 National Hamburger Day
Made just the way you like it, there's nothing like a hamburger. Kinda like quilting in a way - no matter what "toppings" you put on, it's beautiful. Show us your picnic quilt - maybe even your favorite hamburgers! [#msqshowandtell](https://msqshowandtell)

New Tutorial Every Friday with Jenny!

This month, *take 5!*

5
MINUTES

Do the Chicken Dance! Put on your favorite tutorial with Jenny and dance with us! Quilting is sew much fun, but sometimes we start sitting a while longer than we meant to. So take five minutes to stretch and shake a tail feather!

5
HOURS

Make a wish list. (We have a handy little heart button on items on our site to make this easy!) Maybe you're not quite ready to dive into your next quilting project just yet - or maybe it's temporarily unavailable... if you make a wish list we can let you know when the items are back in stock - and sometimes that window shopping is the inspiration we need to grab a digital pattern and get stitching right away!

5
DAYS

Make a giving plan. Think about who you would like to give your quilty projects to (by the way, giving yourself beautiful quilts is totally awesome). Are there milestones coming up this year? How will you personalize those gifts? Write down a little bit about how you're feeling as you think about making a project for someone special - it'll come in handy when you're ready to label your labor of love.

We have lots of tutorials, classes, ideas, and more to support your quilting dreams! missouriqltco.com/classes
