

AUGUST

August is this beautiful tipping point between summer nights stargazing and the first hints of fall on the breeze. It's still full of hot days and shady escapes with a cool drink, but it's got the promise of autumn colors and flavors just around the corner. In the midwest, we're dreaming of sunflowers and apples, bright golden sunsets and rolling thunderstorms that make for

awesome sewing weather.

August is also prime sewing time for holiday themed quilts and gifts customized to reflect the personal tastes of your loved ones. As quilters, we often receive hints about how much someone special would love something special made by us just for them... and at Missouri Star, we've got so many ideas to help inspire your creativity!

"THE PURPOSE OF LIFE IS TO DISCOVER YOUR GIFT; THE WORK OF LIFE IS TO DEVELOP IT; AND THE MEANING OF LIFE IS TO GIVE YOUR GIFT AWAY."
