

SEPTEMBER

Autumn falls into place as we roll into September. In some ways, the familiar signs and hints of pumpkin spice, hot apple cider, and cozy quilts to keep us warm in cooling temperatures are just so comforting. In some ways going back to school and celebrating wins and challenges with our favorite football teams - other signs of September - are very different this year. But in all ways, giving our love is the thread that binds us together.

At Missouri Star, we're decorating a little more and quilting a little more and planning a little more for holidays ahead. Want to plan and quilt and decorate with us? You're invited! We're starting with a different kind of Birthday Bash this year - join us **September 24-25** for fun and festivities, starting with a **BLOCK Party September 23** at 6pm Central with Jenny and Natalie.

We're playing with fabric and staying inspired all month long with brand new tutorials and some great twists on classics with Jenny. We're also turning a little fabric into a lot of fun projects on **Missouri Star LIVE** with Misty. And watch for **The Final Stitch** every other Wednesday with Natalie as we learn how to put finishing touches on those quilts we love to make - answering real questions from real quilters. We can't wait to see what you make along with us!
