AUCTION FORMAT

This event will broadcast live on our main Missouri Star Facebook page - "Quilting Deals - Missouri Star Quilt Co." and Youtube Page beginning at 7:00 PM CT on Thursday, March 31st.

Our Recommendation: For the best possible experience, we recommend watching LIVE on your desktop computer or tablet, but use your mobile phone to bid using our special bidding platform.

Jenny, Natalie, and Misty will showcase each of the quilts during bidding so that you can hear more about them and why they're special. They might even tell you which one is their favorite!

We'll show two (2) quilts at a time to bid on individually LIVE during the broadcast. We'll let you know when the bidding has opened for each quilt. We'll announce a "final bids" request with a few minutes left and then close the bidding for each of those two items.

We'll then move onto the next two (2) quilts or smaller items until all the quilts are auctioned off! It's that simple!

WINNING BIDDERS

We will call you within 24 hours to coordinate payment and shipping information for your item.

JUST A FEW RULES

Only 1 winning bid per person will be allowed.
All bids must be in US Dollars.
